Full Stack web development

Eastleigh, Southampton, UK

## About me

I am an enthusiastic Graduate who's looking for my first Full Stack Developer opportunity. Also, I'm qualified in Python, Django and many more skills very useful for front and back end. I can adapt easily to any enterprise's environment. I'm able to work either as part of a team or on my own as the most efficient way as possible. Even I'm a detail seeker and hardworking thorough in completing work tasks.
